TECHNOLOGY**

Quality That Lasts!

224 Shoemaker Road • Pottstown, Pennsylvania 19464
Tel 610-323-8358 • Fax 610-323-5526 • www.masterwater.com

FEATURES

OPTIONAL REGENERATION TIMES

Optional Regeneration Times
Timer can be set to regenerate on demand or as a time clock.

BACKWASH OPTIONS

Optional second backwash.
It's up to you!

TOUCH OF CONVENIENCE

The control valve is factory-programmed with complete salt tables and operational parameters. Simply set the timing schedule and hardness data....
IT'S THAT EASY!

SOFTENER RESIN

The cation softening resin used in our softeners is designed to perform efficiently for years. It's one of the most efficient and rugged water softening resins available.

**WARRANTY

One of the best in the business!
12 year warranty on mineral tanks and brine tanks.
5 year warranty on valves.

MEMORY RETENTION

Battery free time/date retention during power failure. UP TO 2 HOURS!
Programmed information is stored permanently.

FACTORY SUPPORT

Factory technical service is available to our Dealer or Distributor for the life of the unit.

With the new Vortech distribution system there is now **less water to drain, higher service flow** and **higher efficiency**. Definitely a **greener** solution!

Finally...
Reduced discharge
is a Reality!

the world's newest bottom distribution system improves cleaning of the media bed and reduces freeboard.

**Detailed warranty information accompanies each water conditioner.
NOTE: We recommend using solar salt with our units.
